Abbreviations / Techniques Used

All details below are based on US crochet terms.

Magic Circle

Ch: Chain

SC: Single Crochet

HDC: Half Double Crochet

DC: Double Crochet

Inc: Increase

Dec: Decrease

Crocheting in the back loops only

You will be working in a continuous spiral for most pieces (except the robes), starting with a magic circle. Use a stitch marker and do not join rounds or turn (unless otherwise stated). All stitches are in single crochet unless otherwise noted.

Head & Body

The head and body are worked as a single piece. You will start at the top of the head with the dark brown for a few rounds, and then switch back and forth between the brown and pink to create the face and hair. The pattern decreases to the neck, and then increases again with the body colours. For the colour changes, you can either cut your yarn for each colour change and then tie the ends together (they are hidden inside anyway), or carry the second colour along behind. The brown may show through the pink if you carry it behind, though, so it's best to cut & tie.

Brown (hair colour) – B

Pink (skin) – P

White (shirt) – W

Grey (pants) - G

Starting from the top of the head:

1. B Magic Circle = 6
2. B Inc every stitch = 12
3. (B 1, B Inc) x 4, (P 1, P Inc) x 2 = 18
4. P 1, B 10, P 7
5. P 2, B 9, P 7
6. P 2, B 9, P 7
7. P 2, B 9, P 7
8. P 2, B 9, P 7
9. (P 1, P Dec) x 6 = 12
10. P Dec x 6 = 6
11. P Inc, (W Inc) x 5 = 12
12. W SC around = 12
13. W SC around = 12
14. W SC around = 12
15. W 7, G 5 = 12
16. G SC around = 12
17. (G 1, G Dec) x 6 = 6

Slip stitch to finish off, close up hole, and hide the end in the body. Tighten the hole at the top of the head as well and hide the end.

Arms (make 2)

Pink (skin) – P

White (arm coverings) – W

1. P Magic Circle = 4
2. P SC around = 4
3. W SC around = 4
4. W SC around = 4
5. P SC around = 4

Slip stitch to finish off leaving a long end. Use the end to sew the arm to the body and hide the ends inside the body.

Legs (make 2)

Brown (boots) – B

Pink (skin) - P

Grey (pants) - G

1. B Magic Circle = 5
2. B SC around = 5
3. P SC around = 5
4. G SC around = 5

Slip stitch to finish off, leaving a long end. Sew the legs to the body and hide the ends inside the body.

Robes (make 2)

1. Chain 21
2. SC 20
3. In back loops only - SC 20

Wrap the robes around her (as in the picture), and secure to the body with a few stitches. You can also sew the ends of the robe on her left together to make a loop, like Rey's actual costume. Use brown yarn to stitch around her waist to create a belt (this helps hold the robes down, too). You could also crochet a chain long enough to wrap around her waist, it just depends on how thick you want the belt.

Eyes

For the eyes, I cut out two black circles and then two small white pieces (see picture at the top). Glue the white bits to the black eyes and then glue on to the body.

Hair loops (make 3)

1. Chain 8
2. SC 2, HDC 1, DC 2, HDC 1, SC 2

Sew together to make a loop, and then sew each loop to the back of her head. Run a couple of the ends through her head to come out around her temples (cut to desired length), to make the wisps of hair on either side of her face. I used a tiny bit of glue on those ends as well, to hold the strands of yarn together so they don't separate.

If you want to make her into a Christmas ornament, then you can also thread a length of red yarn or red ribbon through the top of her head and tie it into a knot (or a nice bow!). Then she can hang out on your Christmas tree this year!

Hope you enjoyed this pattern, and if you have any questions please feel free to email me at waywardpineapplecreations@gmail.com. I'd also love to see pictures if you make one, so please feel free to send them my way!
